MEMORANDUM FOR THE ATTORNEY GENERAL

FROM: Henry A. Kissinger

SUBJECT: NATO Special Committee

I appreciate your sending me the copy of the FBI memorandum describing our participation in the NATO Special Committee. I had heard in a general way of the Special Committee, but never had known the details of its organization and our representation on it.

Many thanks, and best regards.

Dear Dr. Carstens:

Please excuse my tardy reply to your thoughtful letter of March 6 commenting on the President's visit. We, too, were most gratified by the success of the visit and, in particular, the frankness and intensity with which the Chancellor and the President were able to discuss substantive issues. I heartily agree with you that the basis has been laid for fruitful contacts in the future.

It was a pleasure to see you again in Bonn. I very much look forward to other opportunities to discuss our common problems with you.

Warm personal regards,

131 5/29

Henry A. Kissinger

The Honorable
Dr. Karl Carstens
State Secretary
Federal Chancellery
Bonn
